Good Lookin' Out

Mila J

Good lookin' out little homie, glad that you showed me
Just what he was all about
Good lookin' out little shorty, guess she wasn't for me
Glad I found all this out
Good lookin' out
See that's what I'm talking about
'Cause we both play the game, never gonna change
So all I gotta say is, good lookin' out
I remember in the beginning boy I was so sure
I thought I found the one and my search was over
In your case I shouldn't of judged a book by its cover, oh yeah, oh yeah
Something told me from the get go you was the wrong dude
What looks good ain't always the best for you
But I'm cool, I'm glad I'm seeing the real you, oh yeah, oh yeah
Now see I thought about it
I had to flip the script and think about you
Well, there's no doubt about it
You know I can't deny it, I feel the same too
Good lookin' out little homie, glad that you showed me
Just what he was all about
Good lookin' out little shorty, guess she wasn't for me
Glad I found all this out
Good lookin' out
See that's what I'm talking about
'Cause we both play the game, never gonna change
So all I gotta say is, good lookin' out
I know you ain't gonna sit here and try and play crazy
Like everything was my fault girl that's bologna
Don't point the finger at me we both did wrong see, oh yeah, oh yeah
Maybe were both better off being just friends now
I guess it took all of this to figure this out
There was a big lesson learned and that is no doubt, oh yeah, oh yeah
Now see I thought about it
I had to flip the script and think about you
And there's no doubt about it
You know I can't deny it, I feel the same too
Good lookin' out little homie, glad that you showed me
Just what he was all about
Good lookin' out little shorty, guess she wasn't for me

Glad I found all this out
Good lookin' out
See that's what I'm talking about
Because we both play the game, never gonna change
So all I gotta say is, good lookin' out
Oh girl, oh girl, I'm cool, ain't trippin' on you, ain't trippin' on you
Oh boy, I'm better, I'm cool, I'm cool on you, I'm cool on you
Oh girl, oh girl, I'm cool, ain't trippin' on you, ain't trippin' on you
Oh boy, I'm better, I'm cool, I'm cool on you, I'm cool on you
Good lookin' out little homie, glad that you showed me
Just what he was all about
Good lookin' out little shorty, guess she wasn't for me
Glad I found all this out
Good lookin' out
See that's what I'm talking about
Because we both play the game, we never gonna change
So all I gotta say is, good lookin' out
Woah, woah, woah, show me, show me
Just what you were all about, just what you was all about, oh
Good lookin' out, good lookin' out, oh yeah, oh yeah
