Holy (2002 Remaster)

Nichole Nordeman

How many roads did I travel
Before I walked down one that led me to You?
How many dreams did unravel
Before I believed in a hope that was true?And how long? How far?
What was meant to fulfill only emptied me still
And all You ever wantedOnly me, on my knees
Singing, Holy, holy
And somehow all that matters now is
You are holy, holyHow many deaths did I die
Before I was awakened to new life again?
And how many half-truths did I bear witness to
'Til the proof was disproved in the end?And how long? How far?
What was meant to illuminate, shadowed me still
And all You ever wantedOnly me, on my knees
Singing, Holy, holy
And somehow all that matters now is
You are holy, holyAnd all I have is gratitude to offer YouYou are holy, holy
And somehow all that matters now is
You are holyOnly me, on my knees
Singing, Holy, holy
And somehow all that matters now is
You are holy, holy, holyHoly
