

# Let's Make the Water Turn Black

## Orchestra Spaziale

Now believe me when I tell you that my song is really true  
I want everyone to listen and believe  
It's about some little people from a long time ago  
And all the things the neighbors didn't know Early in the morning  
Daddy Dinky went to work  
Selling lamps & chairs to San Ber'dino squares  
And I still remember Mama with her apron & her pad  
Feeding all the boys at Ed's Cafe!Whizzing & pasting & pooting through the day  
(Ronnie helping Kenny helping burn his poots away!)  
And all the while on a shelf in the shed:

KENNY'S LITTLE CREATURES ON DISPLAY!Ronnie saves his numies on a window in his room  
(A marvel to be seen: dysentery green)

While Kenny & his buddies had a game out in the back:

LET'S MAKE THE WATER TURN BLACKWe see them after school in a world of their own  
(To some it might seem creepy what they do...)

The neighbors on the right sat & watched them every night

(I bet you'd do the same if they was you)Whizzing & pasting & pooting through the day  
(Ronnie helping Kenny helping burn his poots away!)

And all the while on a shelf in the shed:

KENNY'S LITTLE CREATURES ON DISPLAY!Ronnie's in the Army now & Kenny's taking pills  
Oh! How they yearn to see a bomber burn!

Color flashing, thunder crashing, dynamite machine!  
(Wait till the fire turns green...  
wait till the fire turns green)

WAIT TILL THE FIRE TURNS GREEN!
