

# Reaching Horizons

## Angra

Rainy clouds covered the depth and sunny sky  
Now I know I'll sleep alone tonight  
Tears and prayers will be taken by the rain  
And the loneliness in my dreams Now I know I'll never be the same  
Living this tragedy, insane  
All I wanna be is to be free with you  
With me, I don't blame the fate  
But it's too hard to face the truth It was all just like paradise

(1)

Just like we wanted it to be  
Far beyond the reason  
Rest our lives  
Eternity denies the guilt of reality  
Senselessness Fly high, reaching skies

(2)

Too eagles trying to be free  
Moments of madness  
Will be left behind  
The same horizon  
But in different lands
