The Moment

Valerie Victoria

You said, â€œDaughter, Iâ€™m here, are you listening?â€•
You said, â€œI got you, donâ€™t you worry about a thing.â€•
You said, â€œI have you wrapped up in My arms donâ€™t you cry, my child.â€•
And then You filled my broken heart and You brought me back to life.

â€œOoh, Ooh I love you so.â€•
You said, â€œOoh, Ooh I love you so.â€•

You told me, â€œIâ€™ve got your future under control.â€•
â€œNo need to plan it, Iâ€™ll take the reigns, dear, just let go.â€•
â€œThough times may be hard, keep your peace and trust in Me.â€•
â€œIâ€™ll love you forever, I promise Iâ€™ll never leave.â€•

â€œOoh, Ooh I love you so.â€•
You said, â€œOoh, Ooh I love you so.â€•
