

# Open Your Mind (Hidden Track)

## The Music

I thought life was supposed to be  
A lesson in itself  
But each day I find it so much harder  
Believe in what you feel inside  
'cause there's no wrong and there's no right  
Everyday I find it so much harder What do you see when you close your eyes  
How do you feel when you sleep at night  
Maybe it's time you opened up your mind Open your mind  
Maybe it's time  
Open your mind  
Maybe it's time So many times I've tried to find  
A reason to this life  
But every day I find it so much harder What do you see when you close your eyes  
How do you feel when you sleep at night  
Maybe it's time you opened up your mind How can I leave my past behind  
How do I live the days gone by  
Maybe it's time I opened up my mind Open your mind  
Maybe it's time  
Open your mind  
Maybe it's time What do you see when you close your eyes  
How do you feel when you sleep at night  
Maybe it's time you opened up your eyes Open your mind  
Maybe it's time  
Open your mind  
Maybe it's time  
Open your mind  
Open your mind  
Open your mind  
Open your mind  
Yeah
