

# Beautiful Awakening

Stacie Orrico

A beautiful awakening has happened in my soul  
A beautiful awakening that only I could know  
Try to imagine a sound that you've never heard  
A color that you've never seen  
Try to describe a taste you've not tasted  
And maybe you'll know what I mean  
A beautiful awakening has happened in my soul  
A beautiful awakening that only I could know  
Can you imagine if you spent your whole life  
With a heart beating out of time  
Then one day your wild heart found it's rhythm  
Don't you think you'd lose your mind  
A beautiful awakening has happened in my soul  
A beautiful awakening that only I could know  
What if you woke up one day and your eyes could see  
Ugly things as beautiful? yeah  
Would you believe it if you fell in love with a  
Stranger would you be doubtful?  
A beautiful awakening has happened in my soul  
A beautiful awakening that only I could know  
When I looked at you my heart already knew  
You had come to breathe life into my dormant soul  
I was terrified, I'm not afraid anymore 'cause I know that you  
Embrace my heart and I feel alive  
Yeah yeah, oh  
A beautiful awakening has happened in my soul  
A beautiful awakening that only I could know  
A beautiful awakening has happened in my soul  
A beautiful awakening that only I could know  
A beautiful awakening
