Angels

Lou Rhodes

light reflects from your shadow
it's more than i thought could exist
you move through the room
like breathing was easy
if someone believed methey would be as in love with you as i am
they would be as in love with you as i am
they would be in love, love, loveand everyday i am learning about you
the things that no one else sees
And the end comes too soon
Like dreaming of angels
And leaving without them
Like dreaming of angels
And leaving without themBeing as in love with you as I am
Being as in love with you as I am
Being as in love, love, loveAnd with words unspoken
A silent devotion
I know you know what I mean
And the end is unknown
But I think I'm ready
As long as you're with me
Being as in love with you as I am
Being as in love with you as I am
Being as in love, love, love
Love, love, love
Love, love, love
