

Beautiful Times (feat. Lindsey Stirling)

Owl City

A spark soaring down through the pouring rain
And restoring life to the lighthouse
A slow motion wave on the ocean
Stirs my emotion up like like a rain cloud When did the sky turn black?
And when will the light come back? A cab driver turned to skydiver
Then to survivor,
Dying to breakdown
A blood brother, surrogate mother,
Hugging each other, crying their eyes out When did the sky turn black?
And when will the light come back? I'm ecstatic like a drug addict
Locked in the attic
Strung out and spellbound I fought all through the night
Oh, oh, but I made it alive
The sun's starting to rise
Oh, oh, these are beautiful times
This fight of my life is so hard,
So hard, so hard
But I'm gonna survive
Oh, oh, these are beautiful times A bad feeling burned through the ceiling
Leaving my healing heart with a new scar
A dead fire rose and rose higher
Like a vampire, up from the graveyard When did the sky turn black?
And when will the light come back? We all suffer but we recover
Just to discover life where we all are I fought all through the night
Oh, oh, but I made it alive
The sun's starting to rise
Oh, oh, these are beautiful times
This fight of my life is so hard,
So hard, so hard
But I'm gonna survive
Oh, oh, these are beautiful times This fight of my life is so hard,
So hard, so hard
But I'm gonna survive
Oh, oh, these are beautiful times My heart's burning bad
And it's turning black
But I'm learning how to be stronger
And sincerely, I love you dearly
Oh, but I'm clearly destined to wonder
