Composure

Very Secretary

How can I keep my composure?
How can I keep my composure?
How can I keep my composure?
I turn my back and you got my shoulder
Release your mind, through your hands and your feet
A sigh digs you out when you're getting too deep
How can I keep my composure?
How can I keep my composure?
A sordid spot, a monster takeover
Living in shame's gonna haunt your sleep
How can I keep
How can I keep

How can I keep my composure?
Darling one
I am falling
and the words are gone
you are beyond (x9)
Darling one
I am falling
and the words are gone
you are beyond
you are beyond
