

When You're in Love With Someone

Billy Crawford

Oh.. When you're in love with someone yeah, Oh... you... See, the heart that you helped to mend

Was broken by a friend

Your kind, kind words

I'm sorry but they're hurting me

Love letters that I've never sent

Hidden from your eyes again

You never seem to notice

But to others it's so plain to see

Now it's time to tell the truth

I wish I could, baby, say that I love you Chorus:

When you're in love with someone

Dreaming of a tender touch

Yeah, I love you so much

To be friends is not enough

When you're in love with someone

(When you're in love with someone)

I don't know what to do

Describe that someone...

Is you

(I hope you don't, hope you don't change a thing)

(I hope you don't, hope you don't change a thing) My emotions cover me

Like a ship lost at sea

I'm waiting for the one who will fill my destiny

In my mind you undress

I touch you with tenderness

I open up my eyes, I can't believe you're right in front of me

I can feel that you see my pain

Then you say with a smile

That you feel the same Chorus Ooooh... When you're in love with someone

Dreaming of a tender touch

Yeah, I love you so much

To be friends is not enough

When you're in love with someone

I don't know what to do

Cause that someone is you I hope it don't change a thing
