

An Open Letter (feat. Shockwave) [Interlude]

[Watsky](#)

An open letter to the fat
Arrogant
Anti-charismatic
National embarrassment
Known as President John AdamsShit!The man's irrational. He claims that I'm in league
With Britain in some vast international intrigue?
Bitch, please!
You wouldn't know what I'm doin'
You're always goin' berserk
But ya never show up to work
Give my regards to Abigail
Next time you write about my lack of moral compass
At least I do my job up in this rumpusOoh...
