Get to You

Hit the Lights

I'm in a hole looking up
I can see my soul
And it seems troubled
How did I get this far
Now I've lost my way back
I can't get to youI'm in a hole looking up
I can see my soul
And it seems troubled
How did I get this far
Thought I was the hunter
But now I'm huntedI'm feeling the loss of blood
From the lack of trust
And the wound inside
My ribs should've been enough
I keep running
But I can't get to you,
I can't, can't get
I can't get to you
I can't, can't get
I can't get to you
And you're the ocean I will drown in
Take a breath and swim through you
And you're the ocean I will drown in
Take a breath and swim through youWhen you sleep I hope you're sleeping sound
I'm trapped inside your memories
I see your spirit in the dark
Wanna break it out
But I can't get through to youWhen you sleep I hope you're sleeping sound
If I whisper can you hear me now
Cause I'm trapped inside your memories
Can you feel me watching in the trees
I see your spirit in the dark
It hides behind your callous heart
Wanna break it out
But I can't get through to youI can't, can't get
I cant get to you
And you're the ocean I will drown in
Take a breath and swim through you
And you're the ocean I will drown in

Take a breath and swim through youCan't let you fill my lungs
Can't let you fill my lungs
Can't let you fill my lungs
Can't let you fill my lungs
