We've got our tickets bought
We've got to make tracks, lady[Chorus]
Isn't that just me?
I'm always lost in the future
Making plans for some new scene
I'm always lost in some far off land
Looking for a deeper shade of Green
But Jamie doesn't mind at all
She likes it that wayWell, I've been thinkin', and I've been drinkin'
And I still cannot find a better place to come home to
It drives me crazy, all these maybes
But still you're on the way I always come running back to[Chorus]
