Hell Yeah

Lake Street Dive

The first time you came around
I knew that I wanted you
I didn't want to let it out
I was playing it cool, playing it coolThe second time you came around
I could tell it wasn't getting through
I really tried to spell it out
What I wanted to do, wanted to do
It's a shame, it's a shame, it's a shame that you
can't see
I'm aflame for you, if you would only ask meI'd say "Hell yeah"
I'd say "Hell yeah"
I'd say "Hell yeah"
Hell yeahI keep hoping that you'll come around
I'm hoping that you'll take the bait
Cuz I can really put it out
But you're making me wait, making me wait
The next time you come aroundI'm gonna give it to you straight
Gonna let it all out
No more walking away, walking away
I'm a fool, I'm a fool, I'm a fool for playing it cool
When I'm aflame for you and if you ever want toI'd say "Hell yeah"
I'd say "Hell yeah"
I'd say "Hell yeah"
Hell yeahIf you wanna see me soon, you know
the answer
Wanna come up to my room, you know
the answer
If you wanna grab a bite, you know what I'd say
If you wanna fly a kite, you know what I'd say
If you wanna spend the night, you know whatI'd say
I'd say "Hell yeah"
I'd say "Hell yeah"
I'd say "Hell yeah"
Hell yeah
