

# Give Me the Simple Life

[Jamie Cullum](#)

One two, a one two three four I don't believe in frettin' or grievin'  
Why mess around with strife?  
Guess I was cut out to step up and strut out  
Give me the simple life It must be pleasant dining on pheasant  
Using the proper knife  
I want tomatoes and mashed potatoes  
Give me the simple life Cottage small is all I'm after  
Not one that's spacious and wide  
Ah, that brings the joy and laughter  
With the ones that you love inside You take the high road, I'll take the low road  
Free from all care and strife  
Sounds corny and seedy, oh yes, indeed  
Give me the simple life A cottage small is all I'm after  
Not one that's spacious and wide  
A house that brings the joy and laughter  
With the ones that you love inside You take the high road, I'll take the low road  
Free from all care and strife  
Sounds corny and seedy, oh yes, indeed  
Give me the simple life, give me the simple life
