Pig (OST-The Texas Chainsaw Massacre)

Seether

Have you ever wanted to die when you were without your friends?
Haven't you said goodbye to the one on who your life depends?
Could it be that I don't want to save you anymore? Could it be that we don't have what it takes?
(Yeah)Have you ever wished for fire to burn away your mind restraints?
Haven't you been for hire or suffered those cheap complaints?
Could it be that I don't want to save you anymore?
Could it be that we don't have what it takes?
Take it away 'cause I don't like this anymore
Take it away and throw it awayHave you ever wanted to die when you were without your friends?
Haven't you said goodbye to the one on who your life depends?
Could it be that I don't want to hurt you anymore? Could it be that we don't have what it takes?Take it away
'cause I don't like this anymore
Take it away and throw it away
Take it away 'cause I don't like this anymore
Take it away and throw it away
