

# Make It Good

## Shift K3Y

[Hook x2:]

Tonight is the night I'll make a move

Tell your girl it's alright, I've waited too long

Tonight is the night I'll make it good

Tell your girl it's alright, I know it's alright[Bridge x2:]

Tonight is the night, tonight is the night

Tonight is the night, tonight is the night

Tonight is the night[Hook x2][Bridge x3][Hook x3][Bridge]
