

# Put Your Hands on Me

Joss Stone

One two three I guess I'm picky with love  
Well, baby I give it up it's you I choose  
And don't keep me waiting  
This girl's got things she needs to do Oh, if I was blind, you'd help me see  
If I lost my mind, you'd find it for me  
Speak on it babe, tell me what do you need  
Because all I need is for you to love me baby Put your hands on me baby  
Put your hands on me baby  
You got me flipping  
Put your hands on me baby  
Put your hands on me baby, ooh I can't stop my mind from thinking of you  
How am I supposed to function  
Got me feelin' for your lips on my kiss  
All night, never want no other lover  
Baby, I'm hungry, I want and I need  
Bring me your sugar and pour it all over me, baby Put your hands on me baby  
Put your hands on me baby  
You got me flipping  
Put your hands on me baby  
Put your hands on me baby  
One touch I'm trippin' Up till now my eyes could see  
Touch me once and it's all hazy  
I don't know why and I don't know how  
But somehow, some way you got me I can't explain, can't comprehend  
The world could reach its very end and all I focus on is him  
The way he moves, he found his groove  
There's nothing left to do but tell the world the truth  
'Cause there's no way out  
I love him, I feel him, ooh I'm lovin' those hands Put your hands on me baby  
Put your hands on me baby  
You got me flipping, ooh, one more time  
Put your hands on me baby Put your hands on me baby  
One taste I'm trippin'  
Just kiss me baby, tell me you're mine  
Put your hands on me baby
