

I Am The Man

Unwritten Law

I want to take you around the world, show you all dreams and aperos, well he's the leader of our land, you know that the man, he is the captin of our team, He's the star of sliver screen, and he's the first to let you know he was at your last show, and if you take a look around, concider them in every town, think you may know the way, and they all say, so try to try to understand, when i say that i am the man, 'cause know hear anymore, and know one listins anymore, and i'll i see well i destoy, i hope you'll understand, i am the man, and noone listin anymore, i'll i see well i'll destroy, i hope you understand, i am the man,,, yaaaaa awwwww, and noone listins anymore, all i see well i destroy, i hope you understand, i am the man, and noone listins anymore , all i see well i destroy, i hope you understand, i am the man, i am the man, i am the man, i am the man,
