No Looking Back

Leo Sayer

When theres no more looking back
And you feel youve loved in vain
You try and hide your sorrow
Now youre alone againSo you block out your emotion
Laugh it off and carry on
Sayin why do I have to feel this way
Was loving you so wrong?If I could only turn around
One more time for old times sake
Id pick up all the pieces
From the mistakes I madeDid I give myself completely
Or did I hang on for too long?
Ah, but whats the use of me talking this way
Now that youre goneNo looking back
Its over now, all over now
I tell myself Im glad
its over now, it's over now, its over nowBut if I ever love again
Oh, I wont be played a fool
Ill put in my performance
This time Ill know the movesIts not that Im feeling bitter
Ive no bitterness to show
And all Im really trying to say is that I wish
Id never let you go
