

# Winter (Garden State Soundtrack)

## Joshua Radin

I should know who I am by now  
I walk the record stands somehow  
Thinking of winter  
Your name is the splinter inside me  
While I waitAnd I remember the sound  
Of your November downtown  
And I remember the truth  
A warm December with you  
But I don't have to make this mistake  
And I don't have to stay this way  
If only I would waitThe walk has all been cleared by now  
Your voice is all I hear somehow  
Calling out winter  
Your voice is the splinter inside me  
While I waitAnd I remember the sound  
Of your November downtown  
And I remember the truth  
A warm December with you  
But I don't have to make this mistake  
And I don't have to stay this way  
If only I would waitThe walk has all been cleared by now  
Your voice is all I hear somehow  
Calling out winter  
Your voice is the splinter inside me  
While I waitI could have lost myself in rough blue waters in your eyes  
And I miss you stillI remember the sound  
Of your November downtown  
And I remember the truth  
A warm December with you  
But I don't have to make this mistake  
And I don't have to stay this way  
If only I would wait
