Give You Love

Mi Casa

Allow me to take you back to 1652,
Where Romeo and Juliet had what we aspire to,
Something so real something so true, not selfish in any way,
Something so kind patient all the time,
Promise to enjoy each day,
For better for worse girl you need to know that
I'm going to give you love,
Till death do us part my only goal isI'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
Like Romeo and Juliet
I promise to never give up,
Give up on this love
And I swear I wont ever strut,
On you
I wont be selfish,
I wont be jealous,
And I will never ever boast,
I wont be forceful,
Only Tasteful and give you what your soul needs,
For better for worse girl you need to know that,
I'm going to to give you love,
Till death do us part my only goal is (girl)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
Like Romeo and JulietI wont be selfish I wont be jealous
I wont be selfish I wont be jealous
I wont be selfish I wont be jealous

I wont be selfish I wont be jealous
And I will never ever boastI'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
I'm going to give you love (love)
Like Romeo and Juliet
