One Way Road

Paul Weller

I wanna get high, but I never could take the pain
'Cause it would blow away my soul like a hurricane
Like a one man band clapping in the pouring rain
If I know where I'm going, I don't know from where I came
Now you gonna be in summertime?
And are you gonna see the heavens shine
Like lightning in the sky?As soon as they come
The feelings they go
All alone, on a one way road
As soon as they come
The feelings they go
All alone, on a one way road
On a one way roadI wanna get high, but I really can't take the pain
'Cause it will blow away my soul like a hurricane
I'm like a one man band clapping in the pouring rain
If I know where I'm going, I don't know from where I came
Now you gonna be in summertime?
And are you gonna see the heavens shine
Like lightning in the sky?As soon as they come
The feelings they go
All alone, on a one way road
As soon as they come
The feelings they go
All alone, on a one way road
Oh, on a one way road
