Blowin' My Stack

Weezer

Woe is meI'm standin' in line for the first time in a mighty long time
But it feels good to be a jerk
I'm just a loser on his way to work
'Cuz i need cash to pay my bills
And buy some groceries to eat my fill
But I'm pissed off cause no one cares
They walk on by me like I ain't ever thereSo, I'm blowin' my stack
Blowin' my stack
It makes me feel goodBlowing my stack
Blowin' my stack
It makes me feel goodSo easy to roll through life
You know the answers, but you don't know why
You just stand tall and move ahead
Your heart it beating but you wind up dead
'Cuz you can't feel any love inside
It tries to find you but you run and hide
'Cuz your so scared
(So scared)
So scared
(So scared)
And I'm scared tooSo, I'm blowin' my stack
Blowin' my stack
It makes me feel goodBlowing my stack
Blowin' my stack
It makes me feel goodI'm too tired to fight
I'm too tired to fight
I'm too tired to fight
I'm too tired to fight
Fight, fight.....Aaaaah I'm blowin' my stack!
Blowin' my stack
Blowin' my stack
It makes me feel goodBlowing my stack
Blowin' my stack
It makes me feel goodBlowin' my stack
It makes me feel goodBlowin' my stack
It makes me feel good
