

# Superhuman (Au5 Remix) [feat. Kelly Sweet]

## Juventa

Hold, hold me up  
And take me in  
Iâ€™m losing it  
Lost again

So maybe I fall  
Maybe I fail  
Maybe my hearts not made of stone  
Maybe youâ€™ll see  
Secrets Iâ€™d never wanna show

But I canâ€™t help it  
Iâ€™m not superhuman  
Iâ€™m breaking  
Donâ€™t let me fall apart  
I canâ€™t help it  
Iâ€™m not superhuman  
Iâ€™m breaking  
Donâ€™t let me fall apart
