

You're Gonna Make Me Lonesome When You Go

Miley Cyrus

I've seen love go by my door
It's never been this close before
Never been so easy or so slow
I've been shooting in the dark too long
When something not right it's wrong
You're gonna make me lonesome when you go.

Dragon clouds so high above
I've only known careless love
It's always hit me from below
This time around it's more correct
Right on target so direct
You're gonna make me lonesome when you go.

Purple clover Queen Anne lace
Crimson hair across your face
You could make me cry if you don't know
Can't remember what I was thinking of
You might be spoiling me too much love
You're gonna make me lonesome when you go.

Flowers on the hillside blooming crazy
Crickets talking back and forth in rhyme
Blue river running slow and lazy
I could stay with you forever
And never realize the time.

Situations have ended sad
Relationships have all been bad
Mine've been like Verlaine's and Rimbaud
But there's no way I can compare
All those scenes to this affair
You're gonna make me lonesome when you go.

You're gonna make me wonder what I'm doing
Staying far behind without you
You're gonna make me wonder what I'm saying
Make me give myself a good talking to.

I'll look for you in old Honolulu

San Francisco, Ashtabula

You're gonna have to leave me now I know

But I'll see you in the sky above

In the tall grass in the ones I love

You're gonna make me lonesome when you go

You're gonna make me lonesome when you go

You're gonna make me lonesome when you go.

You're gonna make me lonesome when you go.
