

Don't Tell

Mansions on the Moon

Hello, what's happenin'? This is Snoop Dogg
What you doin'? Oh serious, check this out
Nigga fittin' to come through there, so um, leave that back door open
So a nigga can come in there real slow, yeah
You got a job, I got a life, you got a man, I got a wife
Baby girl, baby boy, that's the way of the world
It ain't got back, can't get back
You say it won't get back, shit, I hope it don't get back
I'm creepin' with you, sleepin' with you
It's gettin' bad on a nigga, now I'm beepin' you too
Meet me at the hot spot and work that skirt
You know the blue one, the new one, girl you know the truth hurt
Heart beatin' while I'm cheatin', tryin' to catch a nut
Bad little bitch got a nigga caught up
I'm slidin' in the rag top Chevrolet
Got a nigga all out of bounds in West L.A.
I'm tryin' to find your granny's house, is your auntie house?
Well um, you know we sorta kinda burn it out
You know I turn it out whenever I'm in the mix
I'm creepin' with my secret and that's how I wanna keep it, peep this
If I hit this pussy you goin' tell on me, don't tell
When I get this pussy you goin' tell on me, won't tell
If I hit this pussy you can't tell on me, don't tell, don't tell, don't tell
When I get this pussy you goin' tell on me, don't tell
If I hit this pussy you can't tell on me, won't tell
When I get this pussy you goin' tell on me, don't tell, don't tell, won't tell
I met this thang named Juanika
She stayed in Engelwood and she knew Tamika
Tamika and Juanika was tight like gloves
I seen 'em Tuesday night hangin' at the club
I say, "What's up Tamika boo? What's up with you?"
She said, "Mauseburg skandelous, nigga so fuck you"
Some bitches be lyin', most bitches be tryin'
To get a nigga caught up, that's probably why I'm
G'd up, boot up to hit it and show
I give it to you real baby, can't shake 'em up Dogg
Jump in the Burg, let's swirve on the low key
Windows tinted 'cause everybody know me
You told on Mause, you told on Snoop

And now you wanna tell on me, well wopty woop
Put me up on game, your homie
It was too much fun, hmm, remember what you told me
If I hit this pussy you goin' tell on me, don't tell
When I get this pussy you goin' tell on me, won't tell
If I hit this pussy you can't tell on me, don't tell, don't tell, don't tell
When I get this pussy you goin' tell on me, don't tell
If I hit this pussy you can't tell on me, won't tell
When I get this pussy you goin' tell on me, don't tell, don't tell, won't tell

No baby, I ain't with the bullshit
I been fuckin' you for two weeks and I ain't seen no cashflow increase
You've been runnin' your mouth, tellin' your girls how I'm fuckin' you
What I got in my house, the things I don't do for you
Better be careful 'cause your girls wanna come too
Yay kiss and a rub back and now I'm up in you
And did you tell Tamika
I was wonderin' why my homie baby momma was blowin' up my beeper
You's a cold thang, I told you keep it on the DL
And if I decide to hit it again it's at the motel
Tellin' them broads about my furniture and jewels
Work on my table and how holdin' my clientele
Damn, do it hit the spot
As pretty as you is no more blessin's for your trot
But I might for the sake of my swipe
Hit it like it's supposed to be hit if the vibe is right tonight
If I hit this pussy you goin' tell on me, don't tell
When I get this pussy you goin' tell on me, won't tell
If I hit this pussy you can't tell on me, don't tell, don't tell, don't tell
When I get this pussy you goin' tell on me, don't tell
If I hit this pussy you can't tell on me, won't tell
When I get this pussy you goin' tell on me, don't tell, don't tell, won't tell
It ain't no fun if the homies can't have none
Ain't no big deal until that hoe squeals
Now, I got to keep my fuckin' woman from around that hoe
Take a fuckin' rubber everywhere that I go
Keep her from her family 'cause her cousin know
She say she fuckin' Nate but she can't prove it though
Next time you can't come if you got a loud tongue
I know I got a big dick, shouldn't loaned it to a trick
This time you act like a nigga who just did a crime
You got your ass busted now you facin' time
The money's in the pack, it's on the driver's side
But nigga you was with it so when you be quiet
Now you facin' twenty all by yourself

The nigga you was with man he rich as hell
Even though this story is a fairy tale
Act like you that nigga bitch and please don't tell
If I hit this pussy you goin' tell on me, don't tell
When I get this pussy you goin' tell on me, won't tell
If I hit this pussy you can't tell on me, don't tell, don't tell, don't tell
When I get this pussy you goin' tell on me, don't tell
If I hit this pussy you can't tell on me, won't tell
When I get this pussy you goin' tell on me, don't tell, don't tell, won't tell
If I hit this pussy you goin' tell on me, don't tell
When I get this pussy you goin' tell on me, won't tell
If I hit this pussy you can't tell on me
