Give In

The Five Jets

It's wrong not right, so bad you know it
I've been wrong in and out
You say, you want, you need it your way
You kick and scream and shout
You twist my words
To ease your mind
Don't stand there smiling, at me
Don't think it's me
When it's always you, it's always you, yea
Give in, give out, give up, it's over
Why even bother if I'm always wrong
Give in, give out, give up, it's over
So much for tryin', it's time to move on
You try to back me in a corner
So sick of playin' your game
So much too hard to take you're givin'
So much that I don't need
You twist my words
To ease your mind
You smile but I'm so broken
Don't think it's me
When it's always you, oh, it's always you
(Always you)
Give in, give out, give up, it's over
Why even bother if I'm always wrong
Give in, give out, give up, it's over
So much for tryin', it's time to move on, move on, move on
Your mind, my heart, our words they drain me
I've heard the same old lines
I'm tired, worn out, so weak, don't push me
Don't try it one more time
Give in, give out, give up, it's over
Why even bother if I'm always wrong
Give in, give out, give up, it's over
So much for tryin', it's time to move on, yea
Give in, give out, give up, it's over
Why even bother if I'm always wrong
(Always wrong)
Give in, give out, give up, it's over

(Always wrong)
So much for tryin', it's time to move on
