

# The Grudge

## Tool

Wear the grudge like a crown of negativity  
Calculate what we will or will not tolerate  
Desperate to control all and everything  
Unable to forgive your scarlet lettermen Clutch it like a cornerstone, otherwise it all comes down  
Justify denials and grip 'em to the lonesome end  
Clutch it like a cornerstone, otherwise it all comes down  
Terrified of being wrong, ultimatum prison cell Saturn ascends  
choose one or ten  
Hang on or be humbled again Clutch it like a cornerstone, otherwise it all comes down  
Justify denials and grip 'em to the lonesome end  
Saturn ascends, comes round again  
Saturn ascends, the one, the ten  
Ignorant to the damage done Wear the grudge like a crown of negativity  
Calculate what we will or will not tolerate  
Desperate to control all and everything  
Unable to forgive these scarlet lettermen Wear the grudge like a crown  
Desperate to control  
Unable to forgive and sinking deeper Defining  
confining  
and sinking deeper  
Controlling  
defining  
and we're sinking deeper Saturn comes back around to show you everything  
Let's you choose what you will not see and then  
Drags you down like a stone or lifts you up again  
Spits you out like a child, light and innocent Saturn comes back around.  
Lifts you up like a child or  
Drags you down like a stone  
To consume you till you choose to let this go  
Choose to let this go Give away the stone  
Let the oceans take and trans mutate this cold and fated anchor  
Give away the stone  
Let the waters kiss and trans mutate these leaden grudges into gold Let go
