

# Ecstasy

ATB

Have you ever noticed  
That I'm not acting as I used to do before?  
Have you ever wondered  
Why I always keep on coming back for more? What have you done to me?  
Ill never be the same I'll tell you for sure  
Ill never be the same I'll tell you for sure  
Ill never be the same I'll tell you for sure You really are my ecstasy  
My real life fantasy, oh yeah  
You really are my ecstasy  
My real life fantasy, oh yeah Not that I'm complaining  
A more beautiful vision, I have never seen  
If you dont mind me saying  
A lifelong ambition to fulfill my dream What have you done to me?  
Ill never be the same I'll tell you for sure  
Ill never be the same I'll tell you for sure  
Ill never be the same I'll tell you for sure You really are my ecstasy  
My real life fantasy, oh yeah  
You really are my ecstasy  
My real life fantasy, oh yeah You really are my ecstasy  
(There can be no other while we still have each other)  
My real life fantasy, oh yeah  
(There can be no other while we still have each other) You really are my ecstasy  
(There can be no other while we still have each other)  
My real life fantasy, oh yeah
