Shades Of Green

Chase Rice

Get your name up the ladder, get that extra buck
Yeah their American dream
It's all about the green
Over where I come from
It's a little different son.

Itâ€™s the color of the tractor in my barn
A fifty acre pasture, ole' horse farm
And rows of pines as far as I can see
It ainâ€™t the money in the bank that we ainâ€™t got
Na, itâ€™s the clover growin' in my deer plot
And her eyes everyday lookinâ€™ back at me
Yeah, thatâ€™s my shades of green

Hanginâ€™ in the woods with an ole' bird dog
Us boys â€™round here where'd ever fall from head to toe
Yeah, thatâ€™s the way we roll
And some put it on with the gun in their hands
And wear it each day, fightinâ€™ for this land
Like my daddy did. that was back in â€™66

Itâ€™s the color of the tractor in my barn
A fifty acre pasture, ole' horse farm
And rows of pines as far as I can see
It ainâ€™t the money in the bank that we ainâ€™t got
Na, itâ€™s the clover growin' in my deer plot
And her eyes every day lookinâ€™ back at me
Yeah, thatâ€™s my shades of green

Yeah it's all around, from big cities to small towns

Itâ€™s the color of the tractor in my barn
A fifty acre pasture, ole' horse farm
And rows of pines as far as I can see
It ainâ€™t the money in the bank that we ainâ€™t got
Na, itâ€™s the clover growin' in my deer plot
And her eyes every day lookinâ€™ back at me
Oh it's her eyes everyday lookin' back at me
Yeah, thatâ€™s my shades of green..

Oh yeah, thats a country boys shade of green

Layin' in my bed, alarm goin' off
Get my feet on the floor, turn the TV on CNN
That stock marketâ€™s down again
