We're Only Gonna Die for Our Own Arrogance

Sublime

Early man walked away as modern man took control
Their minds weren't all the same, to conquer was their goal
So he built his great empire and he slaughtered his own kind
He died a confused man, killed himself with his own mindEarly man walked away as modern man took control
Their minds weren't all the same and to conquer was their goal
So he built his great empire and he slaughtered his own kind
He died a confused man and he killed himself with his own mind
LET'S GO!
Early man walked away as modern man took control
Their minds weren't all the same and to conquer was their goal
So he built his great empire and he slaughtered his own kind
He died a confused man and he killed himself with his own mind
LET'S GO!Early man walked away as modern man took control
Their minds weren't all the same and to conquer was their goal
So he built his great empire and he slaughtered his own kind
And he died a confused man and killed himself with his own mind
LET'S GO!
Early man walked away as modern man took control
Their minds weren't all the same and to conquer was their goal
So he built his great empire, he slaughtered his own kind
He died a confused man, killed himself with his own mind
LET'S GO!We're only gonna die from our own arrogance
That's why we might as well take our time
