

I Can't Get You (out Of My Mind)

Blackstreet

W L O R F A

It's alright, baby I can't get you out of my mind
Your love is one of a kind
You've given so much of yourself
I swear, don't want nobody else Baby don't you know
That I'll do anything for you
I'll give you my time, give you my heart
Give you the world, if you want me to Life hasn't been easy
Knowing that you love somebody else
Ain't nothing I can do about it
All I have to blame is myself and I can't I can't get you out of my mind
Your love is one of a kind
You've given so much of yourself
I swear, don't want nobody else I thought I had you fooled with the girls and the things
That I was putting down
But little did I know Miss Thang was spreading
Business all over town I don't know what she told you
But I bounced upon the love one time
I took her to my house, laid her on the couch
Set it affray, then threw her ass out (So what about the girl in the 6-4)
She didn't mean a damn thing to me, baby
She needed a ride from the jam
And being the man that I am, I said, "You can" (And what about the girl in the drop-top
With the lollipop at the light by the bus stop)
You must have been fooled into thinkin' the kid was slack
Girl I did my thing, but now I want my baby back, girl I can't I can't get you out of my mind
Your love is one of a kind
You've given so much of yourself
I swear, don't want nobody else Damn, just picked the wrong time to mess up
From the time you left me
Up into this moment
I just couldn't get you off my mind But I know if we could start all over again
I know things won't be the same
I can make it better
I swear, I swear I can't get you out of my mind
Your love is one of a kind
You've given so much of yourself
I swear, don't want nobody else I can't get you out of my mind
Your love is one of a kind

You've given so much of yourself
I swear, don't want nobody else I can't get you out of my mind
