Can U (feat. Jazzbuddafly)

Amina Buddafly

Yeah Yeah
Oooohh
You let me go
pull me closer
Won't you let me know
what it is that you want from me baby
Back and forth
I'm not feeling it, no
I need more
than somebody to be there
Can u get me a-bove water
When the ships go down and I need ya
Can u take me up to the sky
Take me high
Till we fly
Can u keep me there forever
And when I say it's now or never
Can you make up your mind faster
Can we be
together
(Can You)
Change my life
(Can You)
And make it right
(Can You)
Baby tell me why
(Could You)
Why could you
(Can You)
Let it be known
(Can You)
You never wanna let go
Tell me that ur mine
(Can you)
Get outta here
With broken promises boy
Gotta be clear
(And if you want me I want you and I'll be true)
We can take it slow

But when they come to wonder
You betta let 'em know
I don't wanna have to question you, no more
Can u take me a-bove water
When the ships go down and I need ya
(I need ya)
Can u take me up to the sky
(To the sky)
Take me high
Till we fly
Can u keep me there forever
(forever)
And when I say it's now or never
(or never)
Can you make up your mind faster
Can we be together
Oooooo
(Can You)
Can you change my life
(Can You)
And make it right
(Can You)
Baby tell me why
(Could You)
Why could you
Let it be known
(Can You)
Ya never gonna let go
Tell me that ur mine
(Can you)
ooooooo

Let it be known
You never wanna let go
(Tell me that ur mine)

Can u take me a-bove water
When the ships go down and I need ya
(Betta make it right)
