

The Old Ones

Root

There is the Pit
There my friends dwell
There is Azathoth - great Center
Of the Cosmos . . . and playing on
His flute . . . There is Yog Sothoth - Master of
Dimensions - and Faceless One . . .
and Faceless One . . . There is Nyarlathotep - Black Messenger
And Black Prince of the Abyss . . .
There is Shub - Niggurath - Father of
The world of Horror,
And Ram of The Sun . . .
There is Cthulhu - Eternal Serpent who sleeps
There is The Goat of a Thousand Young !
I know The Old Ones !
