

# Fireflies

## Owl City

You would not believe your eyes  
If ten million fireflies  
Lit up the world as I fell asleep 'Cause they'd fill the open air  
And leave teardrops everywhere  
You'd think me rude  
But I would just stand and, stare I'd like to make myself believe  
That planet Earth, turns, slowly  
It's hard to say that I'd rather stay  
Awake when I'm asleep,  
'Cause everything is never as it seems 'Cause I'd get a thousand hugs  
From ten thousand lightning bugs  
As they try to teach me how to dance A foxtrot above my head  
A sock hop beneath my bed  
A disco ball is just hanging by a thread (thread) I'd like to make myself believe  
That planet Earth, turns, slowly  
It's hard to say that I'd rather stay  
Awake when I'm asleep,  
'Cause everything is never as it seems  
When I fall asleep Leave my door open just a crack  
(Please take me away from here)  
'Cause I feel like such an insomniac  
(Please take me away from here)  
Why do I tire counting sheep  
(Please take me away from here)  
When I'm far too tired to fall asleep To ten million fireflies  
I'm weird 'cause I hate goodbyes  
I got misty eyes as they said farewell (said farewell) But I'll know where several are  
If my dreams get real bizarre  
'Cause I saved a few and I keep them in a jar I'd like to make myself believe  
That planet Earth, turns, slowly  
It's hard to say that I'd rather stay  
Awake when I'm asleep,  
'Cause everything is never as it seems  
(When I fall asleep) I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that I'd rather stay  
Awake when I'm asleep,  
'Cause everything is never as it seems  
(When I fall asleep) I'd like to make myself believe

That planet Earth, turns, slowly  
It's hard to say that I'd rather stay  
Awake when I'm asleep,  
Because my dreams are bursting at the seams
