

Magical Moustache Ride

Heart Shaped Hate

I want you
Groins and loins
Come on baby get in
I've got candy and toys
My little happy meal
It's a package deal
Red hamburger
Eat my fries
You're my plastic prize
Let's go on a magical moustache ride
Sandwiched in yr pre-pubescent thighsAm i medium-rare?
Or am i just raw?
(x8)Chew on me
Grind yr teeth
Eat my meat
Eat my meatPut me on the chopping block
Hack my head off (x4)
Put me on
