

# Ghosting

## Mother Mother

I've been ghosting  
I've been ghosting along  
Ghost in your house  
Ghost in your arms  
When you're tossing  
When you turn in your sleep  
It's because I'm ghosting your dreams And this is why I have decided  
To pull these old white sheets from my head  
I'll leave them folded neat and tidy  
So that you'll know I'm out of hiding I've been ghosting  
I've been ghosting alone  
Ghost in the world  
Ghost with no home  
I remember  
I remember the days  
When I'd make you oh, so afraid And this is why I have decided  
To leave your house and home unhaunted  
You don't need poltergeist for sidekicks  
You don't need treats and you don't need tricks You don't need treats  
You don't need tricks  
You don't need no Halloween You don't need treats  
You don't need tricks  
And you don't need me Hey, would it be so bad if I stayed  
I'm just a ghost out of his grave  
And I can't make love in my grave  
I won't put white into your hair  
I won't make noises in your stairs  
I will be kind and I will be sweet  
If you stop staring straight through me And this is why I have decided  
To pull these old white sheets from my head  
I'll leave them folded neat and tidy  
So that you'll know I'm out of hiding And this is why I have decided  
To leave your house and home unhaunted  
You don't need poltergeist for sidekicks  
You don't need treats and you don't need tricks You don't need treats  
You don't need tricks  
You don't need no Halloween You don't need treats  
You don't need tricks  
You don't need no Hallows Eve You don't need treats

You don't need tricks  
And you don't need me
