

# Good to You

Calum Scott

If I could go back  
To when you were lonely  
I'd be there to hold your hand, yeah  
Go into our beds  
'Cause we're the only  
People who can understand, yeah  
The road that you travelled on, gravel and stone  
Has paved every path that I've known  
I will be good to you  
I know 'cause I've been there before  
I know that it's hard  
I will be good to you  
Because of my struggle, I swore  
That I'd always be good to you  
I will be good to you  
I know 'cause I've been there before  
I will be good to you  
Through all of your scars  
I will be good to you  
Because of my struggle, I swore  
That I'd always be good to you  
The places you've been  
Those places are haunted  
But soon you'll be on our way, yeah  
You'll never give in  
You find out what you wanted  
I'll be with you night and day, yeah  
The road that you travelled on, gravel and stone  
Has paved every path that I've known  
I will be good to you  
I know 'cause I've been there before  
I will be good to you  
I know that it's hard  
I will be good to you  
Because of my struggle, I swore  
That I'd always be good to you  
I will be good to you  
I know 'cause I've been there before  
I will be good to you  
Through all of your scars  
I will be good to you  
Because of my struggle, I swore  
That I'd always be good to you  
(Be good to you)

Oh oh oh oh oh  
(Be good to you)  
Yeah  
(I promise to)  
Oh oh oh oh oh  
(Be good to you)  
I'll be good to you, oh yeah  
Oh oh oh oh oh  
(Be good to you)  
Yeah  
(I promise to)  
Oh oh oh oh oh  
(Be good to you)  
I'll be good to you, oh yeah If I could go back  
To when you were lonely  
I'd be there to hold your hand Oh, I will be good to you  
I know 'cause I've been there before  
I will be good to you  
I know that it's hard  
I will be good to you  
Because of my struggle, I swore  
That I'd always be good to you I will be good to you  
I know 'cause I've been there before  
I will be good to you  
Through all of your scars  
I will be good to you  
Because of my struggle, I swore  
That I'd always be good to you Be good to you  
I promise to  
Be good to you  
Be good to you  
I promise to  
Be good to you  
Be good to you
