Answer X Key (Brkthru Remix)

Mal V Moo & Brkthru

Verse one:
No food on the table and I need to feed three
Rent due in two days, get paid next week
Temp dropping, low forties
No bed, no sheets
I need some help, but no phone
No contacts and I canâ€™t think
iâ€™m drowning
Can you help me?
Iâ€™m drowning
Sinking and iâ€™m doubting
That I can make it up

So Iâ€™m writing all my problems down, iâ€™m going down
looking for some things to look back up
I add them up and conclude
The only thing I need is you

Hook:
Lord you are the answer key
The answer key, the answer
(repeats)

Verse two:
All alone no family and I canâ€™t trust my friends
Walk around cold hearted wonâ€™t let nobody in
Life goes on day by day
Taking steps to make a way
Take a puff, take a swig
Something that helps ease the pain
Iâ€™m drowning
Can you help me?
Iâ€™m drowning
Sinking and iâ€™m doubting
That I can make it up

So Iâ€™m writing all my problems down, iâ€™m going down
looking for some things to look back up
I add them up and conclude

The only thing I need is you

Hook:
Lord you are the answer key
The answer key, the answer
(repeats)

Verse three:
When youâ€™re drowning
He can help you when youâ€™re drowning
Sinking and youâ€™re doubting
That you can make it up

And every since heâ€™s turned my life around I canâ€™t turn down
Thinking bout all that heâ€™s pulled me through
And now I encourage you
Greaterâ€™s still up ahead for you too

Hook:
Jesus youâ€™re our answer key
The answer key, the answer
(repeats)
