

# Ten Black Roses

## The Rasmus

Life is like a boat in the bottle  
Try to sail, You can't with no air  
Day by day it only gets harder  
Try to scream but nobody cares

Through the glass you see the same faces  
Hear the voices play fade a drum  
When your life's a boat in a bottle  
You're surrounded, drifting alone

Don't leave me now  
Stay another day  
With me

[Chorus:]

When you're sad, and no one knows it  
I'll send you black roses  
When your heart's dark and frozen  
I'll send you black roses

Far away we wait for each other  
I'm still on that road to nowhere  
Kiss yourself for me in the mirror  
Tie a black rose into your hair

Don't lose your faith  
Share another night  
With me

[Chorus]

Ten black roses  
Ten black roses

Life is like a boat in the bottle  
Try to sail, you can't with no air  
Day by day it only gets harder  
Try to scream but nobody cares

[Chorus]

Ten black roses

Ten black roses
