

Cape of Diamonds

[Fionn Regan](#)

I was lost and the sunlight said my name
Left my tears on the road to wash away
Hold my bones by the rock pool shivering
Oh I can't believe it Think I'm haunted by you, lover
Light bulb burning over the summer In our dreams we will talk forever more
Blaze our path by the gate to the shore
Swim at night with the moonlight on our skin
Oh I'm feeling dizzy
Think I'm haunted by you, lover
Light bulb burning over the summer In your cape of diamonds
[?] hipbones Think I'm haunted by you, lover
Light bulb burning over the summer Lie on your side
I'll anchor you, you anchor me
We could go all the way
If we just let it go When she comes, she says my name
Through the darkness of the lake
Feel the rush, a thousand stars
She's moving like a cat with a bell
She's leaning on the windowsill
Let's go out
Mask of feathers is her armor
Light bulb burning over the summer Can you feel the white light,
Rolling across the ocean tonight?
In your cape of diamonds
