

Zero Gravity (Laidback Luke Club Mix) RedMusic.pl

[Kerli](#)

Feels like coming home
After traveling a million miles
I am not alone
Searching for the starlight in the darkest skiesA complex surface
Laid out right before our eyes
Everything makes sense
Now that you are by my sideI'm as light as I can be
You got me feeling weightless
You take me on an odyssey
You got me feeling weightlessYou make me float free
My love for you is endless
No ties are binding me
Oh I'm in zero gravityNow I'm in zero gravity
Oh I'm in zero gravityAll the pain in me
No more needs to be expressed
Feels like I can breathe
You lift a burden off my chestTraces of sadness
No more chain me to the ground
I am limitless
Ever since you came aroundI'm as light as I can be
You got me feeling weightless
You take me on an odyssey
You got me feeling weightlessYou make me float free
My love for you is endless
No ties are binding me
Oh I'm in zero gravityNow I'm in zero gravity
Oh I'm in zero gravity
Now I'm in zero gravity
Oh I'm in zero gravityI'm as light as I can be
You got me feeling weightless
You take me on an odyssey
You got me feeling weightless
