

Brownie Bottom Sundae

[AFI](#)

Into the dark is where you're draggin' me
And into the dark is where I never want to be
I know I'm not alone and I really want to leave
Into the dark is where you want to watch me bleed I'm feelin' kinda trapped, I gotta go
I'm feelin' kinda trapped, don't you know?
I'm feelin' really trapped, I gotta go, I gotta go I'm being dragged down for how long, I don't know
I'm being dragged down and I rise up way too slow
I know I don't belong here and I think I ought to go
I hope that I can leave here, leave here with my soul I'm feelin' kinda trapped, I gotta go
I'm feelin' kinda trapped, don't you know?
I'm feelin' really trapped, I gotta go, I gotta go
