

Weight in Gold - Ekali Remix

Gallant

black dust in orbit cascades down like a parachute
bricks on my shoulders, this gravity hurts when you know the truth I'm pulling my weight in gold
call me anxious, call me broke
but I can't lift this on my own
pulling my weight in gold
call me anxious, call me broke
but I can't lift this on my own we dreamt like martyrsâ€™
I never thought I was bold enough.
you pushed me further
and I take the blame for the both of us I'm pulling my weight in gold
call me anxious, call me broke
but I can't lift this on my own
pulling my weight in gold
call me anxious, call me broke
but I can't lift this on my own
Oh, Universeâ€™ hold me up
you tried your best, is it ever enough when it's already dragging me down?
