Electro Bitch

Jimi Blue

This is Jimi B., J Boy blue and
People talk thinking J.B. is rude and
And they don't know a thing, what I'm doing
But at home, damn you and chick are viewing
Jimi this, jimi that, gotta stop it
I'm a top off my game, wanna top it?
If you don't think it's hot, why you drop it
Jimi touch, jimi go, it's a pop hitFreak out, flip the electro switch
Turn the bass up, Jimi's on the electro trick
Freak out, rock on the boom boom ship
Turn the bass up, Jimi B, electro bitch
Freak out, flip the electro switch
Turn the bass up, Jimi's on the electro trick
Freak out, rock on the boom boom ship
Turn the bass up, Jimi B, electro bitchThis is Jimi with my good 'ol beat box
Put my finger on the bass 'till the beat drops
Got my mind on the girls wearing knee socks
I'm on the track so I'll, you gotta detox
Let me rip this mic just for the nation
Watch me burn down this radio station
If they lock me up for this creation
I'll come back and I'll spit on probationThis is Jimi B., J Boy blue and
People talk thinking J.B. is rude and
And they don't know a thing, what I'm doing
But at home, damn you and chick are viewing
Jimi this, jimi that, gotta stop it
I'm a top off my game, wanna top it?
If you don't think it's hot, why you drop it
Jimi touch, jimi go, it's a pop hitFreak out, flip the electro switch
Turn the bass up, Jimi's on the electro trick
Freak out, rock on the boom boom ship
Turn the bass up, Jimi B, electro bitch
Freak out, flip the electro switch
Turn the bass up, Jimi's on the electro trick
Freak out, rock on the boom boom ship
Turn the bass up, Jimi B, electro bitchTurn the bass up, turn the bass up
Flip the electro switch
Jimi's on the electro trip
Rock on the boom boom ship

Jimi B. electro bitch, electro bitchFreak out, flip the electro switch
Turn the bass up, Jimi's on the electro trick
Freak out, rock on the boom boom ship
Turn the bass up, Jimi B, electro bitch
