A Tooth for an Eye

The Knife

Under this sun
Look what we have got
And those who haven't
Bad luckWe've been running 'round
Pushing the shopping cart
January 2012
Even in the suburbs of RomeA brick in a castle a camp for those on the run
Dance as weapons
Release my eyes eyes eyes eyes tell me you
Some other kid is sucking on my thumb
Eyes eyes eyes eyes tell me you
Another kid needs to suck on my thumbUnder the sun
Picking piles of flowers for the flowers' pot
It's all that I've gotOn my doorstep
A screaming hand
I'm telling you stories
Trust meRewrite history to suit our needs
Open my country
A tooth for an eye eyes eyes eyes tell me you
Some other kid is sucking on my thumb
Eyes eyes eyes eyes tell me you
Another kid needs to suck on my thumbBorder's lies the idea of what's mine
A strange desire
Drawing lines with a ruler, bring the fuel to the fireBorder's lies the idea of what's mine, a strange desire
Drawing lines with a ruler
Bring the fuel to the fire
