Falling Apart

Matt Nathanson

Maybe it's because I'm crazy
And maybe it's because I just can't honestly
Tell you what I wantIt's never enough to stay still and hold you
To break loose and run the taste of you
Wild on my tongueAm I no good to you now?
Am I no good to you?
Am I no good to you now?
Am I no good to you?(Whoa-oh, whoa-oh, whoa-oh)
We're spilling over
(Whoa-oh, whoa-oh, whoa-oh)
We're falling apartI spent my days with doctors
And my nights with crooks
And all of them would sell me for a song
So I'm here, safe dear, fiction in your armAm I no good to you now?
Am I no good to you?
Am I no good to you now?
So much I can give, falling apart(Whoa-oh, whoa-oh, whoa-oh)
We're spilling over
(Whoa-oh, whoa-oh, whoa-oh)
Im falling apart(Whoa-oh, whoa-oh, whoa-oh)
[Incomprehensible] get me out and start me over
(Whoa-oh, whoa-oh, whoa-oh)
For [Incomprehensible] changed I should have told youWhoa-oh, whoa-oh, whoa-oh
I'm falling apartAnd all I say, doesn't matter anyway
And all I say, doesn't matter anyway
I've given up, so call my bluff
Cause I just need to be reminded who I am
I'm falling apart(Whoa-oh, whoa-oh, whoa-oh)
We're spilling over
(Whoa-oh, whoa-oh, whoa-oh)
Im falling apartI've given up, Im starting over
I wanna be, the one who holds you
(Whoa-oh, whoa-oh, whoa-oh)
Falling, Im falling apart(Whoa-oh, whoa-oh, whoa-oh)
So wanna be loved?
(Whoa-oh, whoa-oh, whoa-oh)
Falling apart(Whoa-oh, whoa-oh, whoa-oh)
So wanna be loved?
(Whoa-oh, whoa-oh, whoa-oh)

So, come on now
So, come on love
