

# Finale

## Kristin Chenoweth, Idina Menzel, Ensemble

No one mourns the wicked.  
Now at last, she's dead and gone.  
Now at last, there's joy throughout the land. Good news!  
Good news--Who can say if I've been changed  
For the better, but--Glinda & Elphaba:  
Because I knew you! No one mourns the wicked. Because I knew you, Glinda & Elphaba:  
I have been changed. No one mourns--  
The wicked!  
Wicked!  
Wicked!
